Bestselling author and foster carer Casey Watson tells the heartbreaking true story of a teenage mother and baby in need of a safe and loving home. She has been in foster care several times already and when she discovered she was pregnant, and refused to have an abortion, her mother threw her out of the house. Casey and her family instantly form a strong bond with Emmas baby Roman, but dealing with Emmas behaviour and constant lack of responsibility is a far tougher challenge. And before long Casey finds shes doing something she never thought she would covering up for Emmas shortcomings as she allows her personal involvement to colour her judgement. But the more Casey gets to know Emma the more shes convinced that with the right help and guidance this lonely and unsupported girl can become a good mother to her gorgeous little boy.
