Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Memoir on the Salubrity of the Isle of Pines On presenting to the public my ideas respecting the hygienic and curative properties of the Isle of Pines and its waters, I should decire to give likewise a correct analysis of the latter, as well as a scientific description of their localities. But so laborious and difficult a task would not allow me to arrive as speedily as I wish, to the subject it is now my purpose to present under the point of view which may offer most interest to the public in general and to professional men. I shall therefore restrict myself to giving a summary topographical description of the Island, in the study of which I have been long engaged. I shall close these pages with some memoranda that may contribute towards the commencement of the history of this new district, which merits so much celebrity from its locality, an estimation of its population, and the industrial productions it may hereafter develop. The extent of this Island, according to geographers, is about 180...
