AUTHORHOUSE, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.More than 200 years have now passed since the code of homeopathy was formulated; however, the modus operandi, before the Theory of Homeopathic Hybrids, had never been changed. It is with great enthusiasm and pride that I announce that a new homeopathic clinical, diagnostic and therapeutic method has been codified: the G.A.G Method, method for the treatment of the chronic constitutional diseases. The method enunciates its postulates as a completion of Doctor Samuel Hahnemann s work. Chronic diseases inherited from our parents are responsible for most of the diseases which afflict mankind. Chronic diseases can be healed only by family constitutional homeopathic remedies. DNA containing the maternal and paternal genetic family code causes the diseases which afflict us. The worldwide population exceeds 7 billion people: how many people afflicted by inherited constitutional chronic diseases can be healed with Hahnemann s homeopathic simillimum remedy? Unfortunately with the old homeopathic remedies, very few people can be cured, but these are results which do not reflect the potential of the GAG Method. Homeopathic constitutional medicines, produced nowadays by pharmaceutical companies following the standardised coded instructions of the Master, can only partially heal constitutional diseases. Institutional pharmacology heals by using macro-molecules which cannot penetrate all biological membranes. Homeopathic medicines are, instead, made up of such little molecules which can permeate the cellular molecule membranes. The intangible energy in homeopathic remedies through sublingual administration is transmitted throughout our organism in a few seconds, like the speed transmitted through the meridians of acupuncture. Let s dispel the myth that sees homeopathic medicine as a slow medicine! One thing is sure: that Samuel Hahnemann was a precursor, an ante-litteram pioneer of nanotechnology, if we consider...
