

Breaking Away: Coleridge in Scotland (Hardback)

Filesize: 9.64 MB

Reviews

This book is fantastic. This is certainly for all those who statte there had not been a really worth reading. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Prof. Dale Fahey MD)

BREAKING AWAY: COLERIDGE IN SCOTLAND (HARDBACK)

Yale University Press, United States, 2002. Hardback. Book Condition: New. 228 x 224 mm. Language: English . Brand New Book. When Samuel Taylor Coleridge set out on a tour of Scotland with his friends William and Dorothy Wordsworth in the summer of 1803, his wits were as sharp as ever but his health, professional career, marriage, and friendship with William and his sister Dorothy were in a deteriorating state. On the 15th day of their travels, the Wordsworths and Coleridge parted ways, ostensibly so that Coleridge could return home. Instead he pursued his own Scottish tour, finding pleasure in his solitude, speed (263 miles in eight days), and endurance. This volume draws on Coleridge s letters and notebooks to look at his travels with the Wordsworths from his own point of view and to record and photograph the journey he experienced after he parted from them. Carol Kyros Walker, editor of Dorothy Wordsworth s own *Recollections of a Tour Made in Scotland* , now retraces Coleridge s very different Scottish tour and recounts his adventures there. In a photographic and literary essay, she argues that Coleridge s speed, energy, reflections, notes and letters all betray a man of great talent who was breaking away - from the Wordsworths, from his wife, from his life in the Lake District, and from a dry phase of his writing career.
