

How to Read Sade (Paperback)

By John Phillips

WW Norton Co, United States, 2005. Paperback. Condition: New. American. Language: English . Brand New Book. Approaching the writing of major intellectuals, artists, and philosophers need no longer be daunting. How to Read is a new sort of introduction--a personal master class in reading--that brings you face to face with the work of some of the most influential and challenging writers in history. In lucid, accessible language, these books explain essential topics such as the historical context that frames de Sade's daring philosophy. John Phillips introduces the Marquis de Sade's highly original and thoroughly subversive depiction of human sexuality, and the philosophical and political thinking that underpins it. He shows how, though Sade's work continues to shock, it can also be seen as the logical conclusion of eighteenth-century materialism. As the only writer of his time who dared to put the body at the center of philosophy, Sade has a unique place in the history of modern thought. Extracts are taken from the entire range of Sade's literary, philosophical, and personal writings, including *The 120 Days of Sodom*, *Philosophy in the Boudoir*, *Justine*, *Juliette*, and his *Last Will and Testament*.

Reviews

If you need to adding benefit, a must buy book. It usually does not charge excessive. I realized this ebook from my dad and i suggested this publication to learn.

-- Alec Veum

This sort of ebook is every thing and made me hunting forward and a lot more. I have read through and i also am confident that i am going to going to go through once again once more in the foreseeable future. I discovered this publication from my dad and i encouraged this book to discover.
