Reviews

An extremely awesome publication with lucid and perfect explanations. It is actually written in basic phrases rather than confusing. You will like how the writer publishes this book.

DIRGE: (THE SECOND BOOK OF NOCTURNE S REAPING(TM)) (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Leader Monrage s merciless plot has come to fruition - unleashing unspeakable evil onto the universe. The first to feel its effects is a small, isolated colony known as 52. Nora Montgomery had been living a pretty normal life - normal in her view at least. But then, the nebula reapers descend - turning her life upside down and exposing secrets of the world - a world she thought she knew. Together with a young man named Jack Callahan, she must try to claw her way free from the tightening noose that threatens to take all of their lives. Two different dreams contributed to two of the scenes in this book. One was of the air taxi in Chapter One. The second was about the confinement exercise. Book One of the Nocturne s Reaping(R) series, Prelude, serves as a prequel to the events in Book Two, Dirge. It will also fill this role for the rest of the books in the series.
