## DANDY LION: THE BLACK DANDY AND STREET STYLE: THE BLACK DANDY AND STREET STYLE (HARDBACK)

aperture, United States, 2017. Hardback. Condition: New. Language: English . Brand New Book. Suits that pop with loud colors and dazzling patterns, complete with a nearly ubiquitous bowtie, define the style of the new dandy. Described as high-styled rebels by author Shantrelle P. Lewis, black men with a penchant for color and refined fashion, both new and vintage, have gained popular attention in recent years, influencing mainstream fashion. But black dandyism itself is not new; originating in Enlightenment England's slave culture, it has continued for generations in black cultures around the world. Now, set against the backdrop of hip-hop culture, this iteration of dandies is redefining what it means to be black, masculine, and fashionable. Dandy Lion presents and celebrates individual dandy personalities, designers and tailors, movements and events that define contemporary dandyism. Throughout the book, self-expression is communicated through personal style, clothing, shoes, hats, and swagger. Lewis's carefully curated selection of contemporary photographs surveys the movement across the globe in spectacular form, with all of the vibrant patterns, electrifying colors, and fanciful poses of this brilliant style subculture.
