CONTROL YOUR BUILD (PAPERBACK)

Rj Winters United States, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In a world where the average person is always short on time and money, building your dream house can seem like an impossible goal. While many other books on the market teach readers how to build their own home, most don't take into account that most people simply don't have the time in their busy life to be a general contractor. Urging readers to hire a builder to complete the home of their dreams, this fantastic new resource will ensure homeowners across the nation realize their residential fantasies. Providing integral lessons on how to save time and money en route to achieving your new home, this essential resource will give readers everywhere the tools and information necessary to make sure builders perfectly complete your American dream. Presenting factual lessons learned on the life cycle of a construction build, Control Your Build teaches readers to do their homework in an effort to save time and money on any project. Showing us all how to let the professionals do their job, this informative guide presents an interesting look into the construction industry and how keeping an eye on builders can ultimately lead to saved resources and time. Not your traditional homebuilding book, this invaluable resource by R.J. Winters gives readers everywhere essential information for ensuring any build they encounter goes as smoothly and efficiently as possible. Written specifically for anyone who is thinking or currently in the process of building their dream home, Control Your Build gives the information necessary to maximize budgets and finish the job as quickly as possible. Teaching homeowners everywhere the important lessons of any build, this priceless guide will urge readers not to procrastinate,...
