Dieu a fait ceci Dios hizo esto is a FrenchSpanish bilingual book for children. The current volume is Level 1 intended for infants to toddlers. There are four levels for each volume, graded according to age group. This juvenile non-fiction book for bilingual reading development is an educational tool rather than a story book. It includes single words and pairs of words for the ear training of infants as well as toddlers. The pictures help infants to associate sounds with symbols--images at first and ultimately words at the toddler level and beyond. Toddlers will be able to repeat words, word pairs, phrases, and brief sentences aided by the picture cues. They will gradually be able to read the words using the printed word as their cue. Color photos and illustrations were carefully selected to captivate the child's interest. Words and sentences were judiciously chosen and crafted to facilitate the learning of reading skills and second language skills for both age groups. Words are re-entered throughout the book to aid comprehension and to help the child feel a sense of accomplishment. With a systematic phonetic program in each volume of the bilingual books series, some words were chosen for the sound(s) they represent rather than their meaning. This volume presents images of the natural world around us and are of high interest to young children. The natural environment, earth, sky, water features, animals, flowers, fruits, vegetables, and a variety of types of people are included. The book teaches that God made this. It is suggested that only one language be read at a time. Start with the child's first or native language for several reading sessions, then introduce the second language....
