Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Something worried Babcock. One could see that from the impatient gesture with which he turned away from the ferry window on learning he had half an hour to wait. He paced the slip with hands deep in his pockets, his head on his chest. Every now and then he stopped, snapped open his watch and shut it again quickly, as if to hurry the lagging minutes. For the first time in years Tom Grogan, who had always unloaded his boats, had failed him. A scow loaded with stone for the sea-wall that Babcock was building for the Lighthouse Department had lain three days at the government dock without a bucket having been swung across her decks. His foreman had just reported that there was not enough material to last the concrete-mixers two hours. If Grogan did not begin work at once, the divers must come up.
