## THE VALIDITY OF ELECTRONIC DATA INTERCHANGE IN INTERNATIONAL TRADE

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | A Nigerian perspective | In an era of increasing use of electronic communication and technology, the need to call more openly for international rather than isolated domestic solutions to the ever increasing lawlessness in the electronic commercial world has become sacrosanct. This development has been recognised by the United Nations Commission on International Trade Law (UNCITRAL), one of the first and largest organisations concerned with the development of uniform laws on Electronic...
