TRIALS OF THE FIRST MOON (PAPERBACK)

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Trials of the First Moon is a martial arts-meets-fantasy genre role-playing gamebook complete with illustrations. The 250 page, 91,000 word adventure includes character sheets, random number table, combat results table, bestiary, glossary, FAQs, 500 numbered sections and excellent replay potential. Trials of the First Moon is the first of a lengthy saga planned by the author. Introduction . . . You are Tsai (pronounced /tsai/ and rhyming with sky), a promising young Shinte warrior preparing for your black-sash examinations. You are anxious about undertaking these trials, but know the time is right-these trials are scheduled only once each spring by your Shinte elders for those students, deemed ready to meet the challenge. To miss this opportunity means waiting another year and losing out on thirteen moons time training in more advanced and exciting-though challenging-Shinte curriculum. The First Moon is now waxing over the monasteries clustered in the north of Escrinn, the young and growing kingdom situated in the southeast of the world of Shanoong in which you were born and reared. It is the dawn of springtime in this realm, and the icy frost peacefully blanketing the courtyards, monuments, gardens, and outdoor training grounds of these reclusive sanctuaries thins daily with each rising sun. Your mornings begin early and the days of training are long and grueling at the monasteries where you study. Here, students nurture and hone their abilities to tap into their internal and ever-flowing dao. Simply defined, dao is known as the spiritual energy existing within all living things. Through due diligence, instruction, and time, Shinte practitioners both cultivate increased dao while learning how to harness it. In all, there are two dozen of these monastic guilds, laid...
