## RESILIENT LOVE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.How much hurt can one love go through? An ill mother, a devastating secret and depression. These are now daily battles Joanna Fuentes deals with. She sat on the sidelines and watched her friends find love, even the ones who weren't searching for it. J.C. was meant to be a distraction from her mother's illness, something for fun to pass the time. She never expected him to be her happily ever after. Jared Collins enjoyed the single life. Yes, he'd always had the hots for a fellow sailor and friend, Jo, but he never thought he'd act on those physical feelings. And he damn sure didn't think she'd be a game changer when he finally gave into those feelings. What started off as two friends and a couple drunken nights, escalated into something more; Love. But secrets, unspoken feelings and one huge fight has caused a rift in the once unbreakable friendship of J.C. and Jo. Will J.C. be able to repair the damage not only to their friendship but also their future relationship? Is he able to be the man Jo needs to pull her out of the depths of despair she's fallen into? One thing is certain, it will take a resilient type of love.
