Brand New Book ***** Print on Demand *****.Congress has maintained significant interest in neighboring Mexico, an ally and top trade partner. President Enrique Peña Nieto of the centrist Institutional Revolutionary Party (PRI) assumed the Mexican presidency on December 1, 2012, after 12 years of rule by the conservative National Action Party (PAN). Peña Nieto shepherded structural reforms through the Mexican Congress during his first year in office, but he has since struggled to implement some of those reforms and to address human rights abuses, corruption, and impunity. Some of Mexico's domestic challenges have been exacerbated by uncertainty about the future of its relations with the United States. President Peña Nieto has made high-level Cabinet changes and prioritized anticorruption efforts, partially in response to his low approval ratings and his party's weak performance in June 2016 gubernatorial elections. Ongoing protests against education reforms by teachers unions turned deadly in June 2016 as protestors and police clashed. Low oil prices have prompted the state-owned oil company to record significant losses. Problems in the energy sector, as well as global uncertainty, have contributed to the depreciation of Mexico's currency and led to budget cuts. A successful bidding round for Mexico's deepwater fields held in December 2016 bodes well for the future of the 2013-2014 energy reforms. The successful June 2016 adoption of a new accusatorial criminal justice system has been overshadowed by rising homicides. The government has been unable to resolve high-profile human rights cases, such as the case of 43 students who were forcibly abducted and murdered in Guerrero in September 2014. U.S. Policy U.S.-Mexican relations have remained strong despite periodic tensions and the emergence of immigration and trade as divisive issues in the U.S....
