Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Further adventures of the lives of characters first met in LOVE IN BELGRAVIA - dreary little Jennifer, now a seemingly permanently pregnant marchioness, beautiful but vexatious Georgiana who while recovering from her affair with a world famous film director now pretends to have a husband so that Gus her new working class artist lover won't insist on marrying her, louche and drunken Andrew Gillott now miserably married to Jennifer's dreadful socially aspiring mother Clarissa, and pretty Patti, ex-Bluebell girl who calls in Fulton and Elliott, the happily married gay interior decorators to swathe her new husband's knightly stately home in orange satin - characters equally wonderful and ghastly at the same time, and truly British from the bottom of their green wellies to the top of their Hermes headscarves.
