Forbidden Fruit: The Ethics of Secularism

By Paul Kurtz

Prometheus Books, United States, 2008. Paperback. Book Condition: New. 228 x 152 mm. Language: English . Brand New Book. Paul Kurtz, America s leading secular humanist philosopher, affirms that it is possible to live the good life and be morally responsible, without belief in religion. In this original and penetrating book, Kurtz delineates the means by which humanity can transcend the limitations of traditional religious loyalties and achieve a higher stage of ethics. Fundamentalists deny the possibility of ethics without belief in God. Conservatives rail against secularists. Yet belief in God is no guarantee of moral virtue - as the evils committed in the name of religion have vividly shown. Are there secular ethical principles and values that are vital for a world in crisis? In this new edition of Forbidden Fruit, Kurtz defends the ethics of secularism and humanism. In order to progress to a maximum level of creative development, he maintains that we must be nourished by the forbidden fruit of the knowledge of good and evil, grounding principles and values in autonomous reason. This is the path that leads to the discovery of significant ethical truths that can guide both self-reliant conduct and consideration for the rights...

Reviews

It in just one of the most popular ebook. It normally will not cost too much. I am very easily could get a pleasure of looking at a composed publication.
