Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Health is our greatest wealth; it is the platform upon which our lives are built. It is the key that unlocks the many gifts that life bestows upon us. Your Health Creation is a book that takes you on a journey to discover the secrets of health, its intelligence, and how it can be created in our bodies, our lives, and in the world. Many people take health for granted. It is only when we lose our health, and our lives begin to unravel, that its value becomes illuminated. We then spend all our time and resources trying to get it back. Yet we don't have to wait for this to happen! When we understand what health is, and the principles upon which it is founded, we can start to apply that knowledge to create our lives in a healthy manner. To maximise our chances of keeping it in our reality. All living things share this common identity. Cells use it to create a healthy body. We can use it to create a healthy lifestyle. Humanity can use it to create healthy societies, and preserve the health of the planet as a whole. In a world driven by conflict, and division, where world leaders argue and fight for their own truths, finding it difficult to find common ground, Your Health Creation provides a paradigm of seeing our lives, in a way that unites us as a humanity, and binds us to the natural world while also allowing us to express ourselves in ways which make us unique. A reality which is real—because its foundations are life itself.
