LEADERSHIP AIN T ROCKET SCIENCE (PAPERBACK)

Dog Ear Publishing, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Leadership Ain t Rocket Science is an easy read with practical advice and exercises you can immediately use to improve your leadership skills. The author has 45 plus years experience in business, non-profit and military leadership positions and he uses an informal, personal writing style to pass on lessons learned of leadership successes and failures. He gives the reader practical exercises and ideas to improve personal integrity, vision, passion, collaboration, competence, generosity, communications, courage and decision-making; his key traits for effective leaders. Although the book can be read in a few hours; you will use its lessons for many years to come. LEADERSHIP AIN T ROCKET SCIENCE H. BRYAN DODSON H. Bryan Dodson of Huntsville, Alabama has 45 years experience in non-profit organizational leadership and 30 years experience as a US Army Reserve Officer. He has been recognized with national, state and local leadership awards for his exemplary servant leadership skills and his ability to develop coalitions and partnerships to address organizational and community issues. He holds a BS in Business and an MBA and is a graduate of the US Army War College and several other military officer courses. In the US Army Reserves, he worked directly with very senior officers and for three years served as a four state commands strategic visioning consultant; helping subordinate commands develop strategic plans. He has provided consultant services to more than 20 nonprofit organizations on strategic planning and mission alignment. He has served as Chair of three nonprofit boards of directors and serves on the boards of directors for two businesses in Huntsville; a bank and an educational services firm.
