An alpha empath by birth, a doctor by training, and an empathic healer by calling, he is stalked by the military that covets his ability to kill, not heal. Bereft of two days of memories, he goes on the run under the protection of an assassin, Zara Itani. The more he uncovers of his lost hours, the more he doubts everything that once anchored him. He knows only that he endangers those around him and that he is falling in love with Zara, who hates him for reasons he no longer remembers. As forces--both powerful and ruthless--threaten those he cares for, Danyael has only two options. He can betray his values and abandon the path of the healer, or he can wait to be betrayed, not by enemies, but by his friends.
