Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Is one truly ready to face spiritual experiences? Grown up with idealistic and rational parents, educated in a rational system, in a materialist world, the author was not. In this book of collected spiritual experiences, she wrote briefly her memories kept as secret into sincere short stories. In those morally challenging times, without any known help, she had to find her own way and decided to write this book as an exemplary guide for people going through (or curious about) similar experiences. Even though some stories may philosophically inspire horror movies, indeed it is a niche book, which does not fit in. Monk Who Drinks Coffee is a guide to spiritual experiences dedicated for the strength of free will. Each section focuses on different aspects such as dualities of the universe which give meaning to their opposite energies, (the concept of nirvana and ego, clairvoyance and blindness), dealing with emotions, vision of an angel and the soul, varieties in belief systems, small advices for life, as the final section, our extinction. Two illustrations of...
