Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. August Nightingale, in late middle age, has had little success with relationships-- and not much meaningful satisfaction in the world of work. Abruptly deciding to "leave it all behind," he embarks on a snowy road trip to visit Civil War battlefields in Pennsylvania. His journey becomes one of self-realization. A mishap on the highway, the kindness of his beautiful neighbor Sarah (who helps him to convalesce), and the friendly people of Aurora change his life and his heart. This mature romance novel shows that it is never too late to find happiness, to experience meaningful love, when souls are honest and open to the truths of human experience.
