Simulink and signal processing - with CD-ROM

By DING YI NONG.

paperback. Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Pages Number: 177 Publisher: Beijing University of Aeronautics Pub. Date :2010-8-1. This book is to learn and use simulink simulation of signal processing and simulation system of reference books. is the author of many years with the company during the mathworks software developers and many users exchange. learn from the experience gained. and summary of experience refining. The book is eight chapters. describes the basic knowledge and simulink simulink extension - one set of signal processing module. and signal processing system in accordance with the general composition and how to use simulink signal flow model to establish the system - including signal generation. signal filtering. signal and signal estimate statistical parameters. and how the system model in simulink complex digital signal processing algorithms. Important feature of this book is the discussion of modeling signal processing systems using a large number of examples. The book offers nearly 100 simulink model file. simulink software to learn. to master the module features and applications. and establish a model of complex signal processing systems valuable reference. Another important feature of this book involves a...

Reviews

A top quality publication along with the typeface applied was exciting to read through. It can be rally interesting through reading through time. Your life period will be enhance once you full reading this article book.

-- **Prof. Demond McClure**

This book is really gripping and intriguing. It is writter in easy words and never confusing. You can expect to like the way the blogger create this pdf.

-- **Summer Jacobson**
