Paediatric Intensive Care Nursing (Paperback)

By Michaela Dixon, Doreen Crawford

John Wiley and Sons Ltd, United Kingdom, 2012. Paperback. Condition: New. 1. Auflage. Language: English . Brand New Book. The needs of critically ill children are unique and highly specialized. Paediatric Intensive Care Nursing is an essential manual of care and an invaluable resource to all those involved in the care of critically ill children and young people. Covering all the key aspects of paediatric intensive care, it is a fully comprehensive textbook which provides an evidence-based and up-to-date guide for all nurses who work with critically ill children. Paediatric Intensive Care Nursing is divided into four user-friendly sections: * The first section looks at the general background of paediatric intensive care * Section two employs a systems approach, with each chapter focusing on a specific disease and following the same framework. This includes treating children with cardiac conditions, acute neurological dysfunction, musculoskeletal injuries and gastrointestinal and endocrine conditions * Section three looks at the essential care of managing pain relief, transportation needs and treating wounds * The final section explores the holistic aspects of nursing - nutrition and fluid management, infection control issues, safeguarding children and spirituality and bereavement Written by a team of experts in the field, Paediatric...

Reviews

Absolutely essential go through ebook. It can be rally exciting throggh studying period of time. Its been written in an exceptionally simple way in fact it is only right after i finished reading this pdf where basically modified me, modify the way i believe.

-- **Iliana Hartmann**

Thorough manual for pdf lovers. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
