Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is essential for anyone who wishes to learn Gregorian Chant. Few words are necessary to introduce the present work to English speaking students of plainsong. Such a handbook has long been needed and is sure of its welcome. Neither the well known Stanbrook Grammar of Plainsong nor Madame Ward's valuable school courses cover so much ground as Dom Gregory Sunol in his Spanish *Metoda*. The book first appeared in 1905, prefaced by a commendatory letter from Dom Andre Mocquereau, the famous director of the Solesmes School. Its author has many years of teaching experience behind him, as well as sound theoretical knowledge of his subject. His work has proved its popularity and practical usefulness by going through a number of editions in the original Spanish, besides being translated into French and German. Indeed by compressing the Solesmes teaching within the narrow limits of a general text book Dom Sunol has rendered good service to the Gregorian cause. Not everyone has access to the monumental publications of Solesmes, the *Monographies gregoriennes* or the *Paleographie Musicale*, and countless students will be glad to find the subject matter of this latter work, especially the important seventh volume on Gregorian Rhythm, here summed up and analysed, while the extensive quotations from Dom Mocquereau's *Nombre Musical gregorien*, with which the Spanish author has enriched his later editions, will make them desirous of seeing this fascinating synthesis of the whole subject brought out in English. The French translation of Dom Sunol's work was made by Dom Maur Sablayrolles who tells us in his preface that he inserted a few additional chapters and altered and developed his original...
