

## Socratic Citizenship

By Dana R. Villa

Princeton University Press, United States, 2001. Paperback. Book Condition: New. 229 x 165 mm. Language: English . Brand New Book. Many critics bemoan the lack of civic engagement in America. Tocqueville's nation of joiners seems to have become a nation of alienated individuals, disinclined to fulfill the obligations of citizenship or the responsibilities of self-government. In response, the critics urge community involvement and renewed education in the civic virtues. But what kind of civic engagement do we want, and what sort of citizenship should we encourage? In *Socratic Citizenship*, Dana Villa takes issue with those who would reduce citizenship to community involvement or to political participation for its own sake. He argues that we need to place more value on a form of conscientious, moderately alienated citizenship invented by Socrates, one that is critical in orientation and dissident in practice. Taking Plato's *Apology of Socrates* as his starting point, Villa argues that Socrates was the first to show, in his words and deeds, how moral and intellectual integrity can go hand in hand, and how they can constitute importantly civic--and not just philosophical or moral--virtues. More specifically, Socrates urged that good citizens should value this sort of integrity...
