GAO noted that: (1) the services have implemented new procedures to transfer records directly to VA when a service member is discharged; (2) the possibility of medical records being misplaced remains because there are still many storage locations within the new system; (3) there are about 1,100 Persian Gulf claims pending, of which 37 percent are over 1 year old, 33 percent are 6 months to 1 year old, and 30 percent are less than 6 months old; and (4) VA has been unable to obtain service medical records for 20 veterans who have filed compensation claims with the Louisville VA Regional Office.
