CHASING THE RAINBOW (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Four years ago, Bobby Gugino realized he may have met the man of his dreams in Jody Olsen. The problem was, Jody was married-very briefly-to Bobby's long-term girl friend's best friend. As if that was complicated enough, Bobby hadn't even realized he was gay himself up until then. When Jody came out and ended his marriage, Bobby's entire worldview was skewed, and his own health issues lead to his own coming out. Fast forward four years and Bobby runs into Jody again, but Bobby may be too busy making up for lost time to see how great they are together. Jody Olsen's got guilt and mommy issues, but his coming out was smooth and his life had settled into a mundane pattern of kissing frogs while waiting for prince charming and helping run his mother's book store in New York's East Village. When Bobby comes bumbling back into his life with a surprising shared passion for the written word and an endearing love for sugary Frappuccinos, Jody can't help but be quickly swept up by the man. The struggle to be patient with Bobby and his being unsure about being committed to someone is not an easy one. Does Jody hope for his happy ever after with Bobby, or is the lure of chasing the rainbow too much to fight against?.
