

Children of Light. a Guide to Spiritual Awakening (Paperback)

By Gotty Kissella

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.There are many people who are confused and do not know how to make decisions in order to change the course of their lives. They have sunk to their lowest low and have compromised everything God intended them to stand for through fighting, substance use, and other wrongdoings. They need you. They need your word of encouragement. They need to be reminded they have a Father who loves them and who wants to see them turn away from worldly desires. Go out and pick up those who were told in schools by their teachers that they would never amount to anything and bought into those destructive words. Some have dropped out of school and have turned to marijuana, cocaine, ecstasy and anything else to escape from the pain of rejection, failure, self-destruction, spiritual mutilation and hopelessness. All they know is a lifestyle of partying and pretending to be happy. You see at what level are your responsibility, your call and your vocation? Much work awaits you, work that allows you to perform acts of nobility. This is not only a responsibility but...

Reviews

These kinds of ebook is almost everything and got me to searching forward and a lot more. It usually does not price excessive. Its been written in an exceedingly basic way and is particularly only following i finished reading through this pdf through which in fact modified me, alter the way i really believe.
