RESET: ORDINARY PEOPLE, EXTRAORDINARY EVENTS (PAPERBACK)

iUniverse, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In *Reset*, author Timothy Benson offers contemporary stories of ordinary people who encounter unexplainable and life-altering situations, often of their own making. Unprepared for the things they face, they struggle to change the course of events before they reach the point of no return. In *Whatever You Say*, a young man's journey toward a new start begins with a white lie. The lie leads to another, then another, until the man's real identity starts to blur with a new persona that threatens to ruin his plans. An incredible string of luck makes a businessman's life seem too good to be true in *Way North of Lucky*. He soon realizes his good fortune has a negative and dangerous effect on everyone around him, leading to a frightening conclusion about his future. *The Almost Life of Leonard Paduszka* tells the story of three imaginative young people who concoct a scheme to create a fake person. The plan succeeds beyond their expectations, until a homeless man gives their faux man more reality than they intended. *The Bandit and the Barista* recounts the story of a man whose gambling addiction leads him to plan a crime that, at first, seems foolproof. When his plan to temporarily blame a total stranger goes awry, he scrambles to save both the innocent man's future and his own. Rich in visual imagery, memorable, offbeat characters, and dark humor, the stories in *Reset* offer a view of the often strange and dangerous ways ordinary people navigate through modern culture.
