## PLAYING FOR REAL: RE-PLAYING THE GAME OF LIFE (PAPERBACK)

Donaldson, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book challenges the most basic of human certainties that fear and aggression are normal, natural, and necessary. We all know that the world is a series of contests governed by the fixed and natural laws of survival. Our fear based approach to life dead wrong. In Playing For Real I argue that we have a choice that makes real peace possible. This is a provocative and revolutionary thesis. Playing For Real is a pioneering book, doing what humans have assumed cannot be done--it demonstrates not only that we can choose love over fear, this much alone would be a profound advancement for human beings, but it is not enough. What makes Playing For Real a truly original book is that it goes beyond being a conceptual leap to presenting an innovative, universal, and tangible practice to achieve peace. By making the choice for peace readily accessible Playing For Real changes everything. This book is a subversive invitation to re-play our lives. I present an ambitious game plan and in doing so radically transform how we play the game of life. Playing For Real proposes a profound and until now unheeded cry for a paradigm shift from a contest world of won to a playful world of one. In pressing the replay button we activate the transformative energies necessary to reconnect with our original sense of belonging to all life and in so doing make conflict obsolete. The book demonstrates that: (1)our contest model of life is a dead-end; (2)an innovative and universal code of peace is encrypted in the original play of life; (3)a paradigm shift based not on surviving but on thriving is required to access this code;(4)this code of peace is child...
