The Practical Mariner's Book of Knowledge: 460 Sea-Tested Rules of Thumb for Almost Every Boating Situation (2nd Revised edition)

By John Vigor

McGraw-Hill Education - Europe. Paperback. Book Condition: new. BRAND NEW, The Practical Mariner's Book of Knowledge: 460 Sea-Tested Rules of Thumb for Almost Every Boating Situation (2nd Revised edition), John Vigor, Is this an entertaining book? The Practical Mariner's Book of Knowledge is either the most useful boating book ever designed to entertain or the most entertaining book ever designed to be useful. In its alphabetical organization that juxtaposes wildly disparate entries, you can read about the derivation of figureheads where you turned to for recommended thicknesses of fiberglass hulls. In between the whimsy, however, is the essence of centuries of seafaring experience distilled into a concise reference for sailors and power boaters. There may be no substitute for a lifetime of experience, but this book is the next best thing. It should be kept at the navigation station and on every boat. Inside you will find information that is otherwise scattered through dozens of volumes. If you can't find what you want quickly from the table of contents, there's an exhaustive subject index. If you need more precise data than a rule of thumb can provide, you may very well find it among the 16 appendix tables, which are...
