In this book, you'll learn: - The secret signs of cheating (These are the signs most women miss.) - How to confront him, and maintain your dignity! - What to do about the other woman (even if you know her!) - A dead giveaway which proves a man is cheating! - What to do if you suspect he's cheating, and you're wrong How to Deal With Him. As you know, cheating devastates relationships and can tear apart your family. The sooner you know what's really going on, the sooner you will have peace of mind. Look, he's not going to tell you if he's having an affair. Don't be the last to know, and left looking like a fool. Bottom line. If you think he's cheating, he probably is.
