Forgotten Books, 2018. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****. Excerpt from Etude Critique de la Politique Commerciale de l Angleterre A l Egard de Ses Colonies: These pour le Doctorat Le titre que nous avons donne a ce travail Etude critique de la politique commerciale de l angleterre l egard de ses colonies, nous oblige a indiquer dans cette introduction la conception maitresse qui preside a ses developpements. Nous ne nous proposons pas de relater avec details les faits se rapportant a la politique commerciale de l angleterre a l egard de ses colonies, ce qui est le propre d une etude historique, mais nous voulons essayer d etablir a l aide des faits saillants qu il est facile de relever dans l histoire de cette politique commerciale, des principes directeurs de nature, a guider l action politique dans la voie du progres. Le point de vnc historique sera donc secon daire dans notre etude; nous exposerons des faits et nous essaierons de les interpreter et de les expliquer suivant une methode scientifique, c est - a - dire purement objective. D apres nous, l histoire ne peut fournir a l economiste, au sociologue, l homme politique, que de la matiere sur laquelle ces differents personnages exercent leur raisonnement. A cet egard. Notre methode s opposera a la methode dite historique; cette opposi tion apparaitra a plusieurs reprises dans le cours de notre etude et nous aurons ainsi l occasion de bien la preciser.
