Bantam Doubleday Dell Publishing Group Inc, United States, 1999. Paperback. Condition: New. Reprint. Language: English . Brand New Book. In this practical and entertaining guide, the top veterinarians and animal experts in the country offer more than 1,000 effective tips for treating common pet problems, such as: allergies, bad breath, ear mites, fleas, itchy skin, paw problems, teething pain, weepy eyes, and wounds. But, much more than a guide to the physical and emotional problems of pets, The Doctors Book of Home Remedies for Dogs and Cats also provides solutions to some of the toughest behavior problems, letting pet owners know when it is necessary to visit the vet--and what they can do until they get there. Since the health needs of dogs and cats are often entirely different, there are also specific tips for both cats and dogs, along with more than 75 easy-to-follow illustrations. Having this ultimate do-it-yourself pet-care book is like having a veterinarian on call 24 hours a day.
