By Sue Finnie, Daniele Bourdais

Brilliant Publications, United Kingdom, 2016. Paperback. Condition: New. Language: French . Brand New Book. This book introduces colours via different typical French places or things. The photos show the Cote d Azur (French riviera), Mont-Blanc; the highest point in the Alps, strawberries, olives and sunflower fields; usually associated with the region of Provence and the south of France (as well as the purple of lavender), grapes from the wine-making region of Bordeaux, and the grey slate roofs north of the Loire river. Pupils can easily and quickly read this short, attractive, highly-illustrated French book for a sense of enjoyment and achievement. The book can be used to introduce children to reading in French and help them to improve their reading skills. It strongly supports Intercultural Understanding by making a point of revealing, via the texts and the pictures, various cultural aspects of life in France or French-speaking countries. This book is one of six Brilliant French Information Books at Level 1.
