Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1900 Excerpt: .correct. The proportions of the circumscribed rectangle change with different irregular polygons, but this method of enlargement is equally applicable. Heuton Raller Table. From E. E. H., Knoxville, Tenn.--As the subject of hexagon roof framing is receiving some attention in the Correspondence department, I send herewith a hexagon rafter table, which I hope may prove of interest to some of the readers. I prepared this table with several others about four years ago, and so far as I know they are a little different from anything of the kind in use. I have a table prepared for laying out regular polygons of from 3 to 20 sides, which I will send for publication if it will. be of interest. I have been a subscriber to Carpentry ttid Building two years, and have for some time intended to show my appreciation of the paper by adding my mite to the Correspondence department.
