Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.From the Desk of the How-To Junkie for the Critical Thinking Junkie Howdy friend, who wants to develop critical thinking, In the old days where famous Greek philosophers - like Socrates, Plato, and Aristotle - would conglomerate in the public square Agora of Athens, people from all over would gather around to listen attentively to their enlightening thoughts. Why would people put their fate and trust in the credibility of these great orators words? That s because they all had exceptional critical thinking abilities - to be able to decipher fact from fiction, to understand true from false, and derive at insightful conclusions. But wait! Why should I care? I have zero interest in being a philosopher you say? Well, think about it for a second. Critical thinking is a skill you can use and have to improve your day-to-day function and productivity by allowing you to think sharply and clearly to easily solve problems and make better decisions within your life. Shall we say more? There are just immense benefits to being a better critical thinker. But how do you go...
