By Debra Anne Susie

University of Georgia Press. Paperback. Book Condition: new. BRAND NEW, In the Way of Our Grandmothers: A Cultural View of Twentieth-century Midwifery in Florida, Debra Anne Susie, Based on the accounts of midwives, their descendants, and the women they served, "In the Way of Our Grandmothers" tells of the midwife's trade--her principles, traditions, and skills--and of the competing medical profession's successful program to systematically destroy the practice. The rural South was one of the last strongholds of the traditional "granny" midwife. Whether she came by her trade through individual choice or inherited a practice from an older relative, a woman who accepted the "call" of midwife launched a lifelong vocation of public service. While the profession was arduous, it had numerous rewards. Midwives assumed positions of leadership within their communities, were able to define themselves and their actions on their own terms, and derived a great sense of pride and satisfaction from performing a much-loved job. Despite national statistics that placed midwives above all other attendants in low childbirth mortality, Florida's state health experts began in the early twentieth century to view the craft as a menace to public health. Efforts to regulate midwives through education and licensing were part of a...

Reviews

It in one of my personal favorite publication. Indeed, it is actually perform, still an amazing and interesting literature. Its been printed in an exceptionally easy way which is merely soon after i finished reading this book where really altered me, change the way i believe.
