Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.When Guy Foulkes walks into Honeysuckle Bunting's teashop after an absence of fourteen years her world goes out of sync. Guy was her brother's best friend; she was Basil's scruffy younger sister. For Honey Bun though there had always been more. Honey had been heartbroken as Guy, kissing the top of her head in brotherly fashion, left Rills Ford to go to university. So why was he back now, standing in her shop? When Honey learns the reason for his reappearance, her excitement at seeing him again swiftly turns to dismay. Honey Bun is a charming and fresh romantic novella by the talented author of Safe Harbour, also available from Amazon. Praise for Safe Harbour A great read - escapism at its best! A beautifully crafted story I so enjoyed the lovely romantic story.
