By MR Kimon Socrates Inglessis

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.We all have the same goal when we make an investment: maximizing profits while limiting losses. The goal of this book is to help novice and beginning traders to understand the markets and to explore ways of maximizing profits while limiting losses while trading the stock market. The novice trader has more questions than they even know they have. Maybe they know about limit orders but not stop limits or the bid or the ask. This is why this book tries to begin at the beginning and quickly explain the important aspects while not getting bogged down in too much needless detail. Analogies and clear examples are used throughout the book to help to explain the different topics and critical charting interactions that can seem random at first but tend to follow certain patterns. With over 100 graphics pulled from real world charts used as examples including a technical analysis of the chart, you can follow many company s stocks and see how the technical predictions developed in the months and years since the book was written. If you have...
