Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Survival How To Find Your Way In The Wilderness Welcome to Survival: How To Find Your Way In The Wilderness, a book designed to help you not only navigate the wilderness, but also how to avoid falling into issues when you are navigating. Many people have common beliefs about what they can and can't do to navigate the wilderness, like navigate using astronomy, but this book will give you some definitive ways to make your way through the wilderness with tried and proven methods. First, we'll go over what you should do when you are in a situation where you don't know where you are at. This could be a situation where you fell down a hill, landed in a plane crash, or some other accident that caused you to be lost in the woods. Therefore, we'll cover: How to collect water and food How to make shelter and a fire What you should do if you find a road Then we'll also cover the main methods of how you can navigate your way back to civilization using the environment around you. In this, we give you multiple methods to determine what the best course of action is for you and we debunk some popular myths about navigation using the moon and stars but also hand you more effective methods utilizing the stars to navigate your way. Additionally, we'll cover how you can use plant life to find your way to water. The remainder of the book will cover: Why you should stay away from stacks of smoke Why you should be weary of trusting any sounds that you might hear in the woods...
