Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Primitive Physic of John Wesley was first crafted in the middle of the 1700s; more than a century later it remained in print in several forms, a testament to its continued use as a tract of folk medicine, proto-homeopathy, and its function as a general pragmatic herbal of sorts. Proposing treatments (receipts) for over one hundred conditions and diseases, including both the chronic and acute, the fatal and the annoying, Wesley s work must of necessity be included in any competent catalog of herbal or early medical works of note.
