Rebecca Louise French, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Rebecca has been a good little church girl for most of her life, since her mother brought her into the church at age five. Being socially awkward and somewhat of a misfit within society, she found refuge in the church and a place where she thought people accepted her for who she was- a place she could be herself. However, as the years passed, something deep inside her didn't feel quite right. The quiet unrest she felt churning within her stomach became harder to ignore. However there always seemed to be an angel beside Rebecca gently guiding her, lighting the way. Join Rebecca as she shares her incredible life story of how she made the gradual and life changing decision to move from religion to spirituality. Learn how this one woman was able to find joy, love, peace, self-acceptance and most importantly, the truth within. Please note, this book is not about condemning or judging organized religion or the people therein. For those who are unsure, confused or bitter about the religion you are a part of or were once a part of, this book is most certainly for you. If you've never been a part of a religious body and you are simply searching for answers on your own life journey, this book is also for you as you discover your truth within.
