## SON RISE: THE MIRACLE CONTINUES

HJ Kramer. Paperback. Condition: New. 372 pages. Dimensions: 8.9in. x 6.0in. x 1.1in. In 1979, the classic best-seller Son-Rise was made into an award-winning NBC television special, which has been viewed by 300 million people worldwide. Now, Son-Rise: The Miracle Continues presents an expanded and updated journal of Barry and Samahria Kaufmans successful effort to reach their once unreachable autistic child. Part one documents Raun Kaufmans astonishing development from a lifeless, autistic, retarded child into a highly verbal, lovable youngster with no traces of his former condition. Part two details Rauns extraordinary progress from the age of four into young adulthood. Part three shares moving accounts of five families that successfully used the Son-Rise Program to reach their own special children. An awe-inspiring reminder that love moves mountains. Even if we cant know whether there is some great cosmic reason for the workings of the world, we can still give events meaning with what we do with them. When I was diagnosed as autistic (and also severely mentally retarded, with a below-thirty IQ), my parents were given ample opportunity to treat the event as a tragedy. The whole world saw autism as hopeless and encouraged my parents to...
