Ishi Press, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This is an exact reproduction of the original 1969 classic work, My 60 Memorable Games by Bobby Fischer. Unfortunately, there have been many efforts by other authors and contributors to improve on Fischer's work by converting the text into algebraic notation and then correcting what they thought were mistakes in analysis. It turned out that what they thought were mistakes by Fischer were mistakes by themselves. Fischer's analysis was correct. Theirs was wrong. As a result, Fischer famously went on the radio to denounce those who claimed to have improved on his work. Even since his death, new editions have come out promising that there have been no changes from the original, but researchers have discovered hundreds of changes in the new editions that supposedly contain no changes. The book in your hands contains no changes at all on the inside of this book. Even a typo on the first page has been preserved.
