And why do people still talk about Him after 2000 years? For many of us, we know of Jesus because of the movies that come out around Christmas and Easter time. We know about His birth - ya know, something about being born in a manger wearing waddled-up clothes. Then, there s a little something about some wise men giving Him some cool gifts that included gold and some other stuff that we really don t know what it was. Maybe it was some off-brand cologne? And then after Jesus grows up to be a man, we know that a bunch of folks didn t like Him and decide to have Him hung on a cross. And then He dies and heads up to Heaven. The end, right? Wrong. Everything we need to know about Jesus is found in the Gospels - Matthew, Mark, Luke and John. These books of the Bible tell us about His birth and why it was so awesome. It tells us of why He came to Earth and what His mission statement was for all of humanity. It also tells us why we should follow Him and the benefits for doing it. It s a serious deal! In this book, we explain the Gospels from all four sides - Matthew, Mark, Luke and John. Just like all of our other stuff in A Redneck s Guide series, we keep it simple. We hope you are blessed by reading it!.
