Mommy Where's My Grandpa?: 8 Steps to Keeping Your Parents Memory Alive for Yourself, Your Family Future Generations (Paperback)

By Natalie Salter

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. When you lose a close loved one, you will always remember the day that it happened. More than that, you will always know the specific details of that day. Whether it has been one year or ten, you will have memories of how old you were, where you lived, where you worked, or what grade you were in at the time. Beyond your memories of that day, the other details of life with your loved one may become a bit cloudy. This is only natural, as you begin the journey of moving on with your life. That is what I discovered happening to me in the years after my father passed. Clear memories of the times we spent together, soon started to become hazy recollections. When my daughter started seeing television cartoons depicting children with their grandfathers, she asked me Mommy, Where's My Grandpa? I told her he was in heaven, but I knew I couldn't stop there. This book will show you how to celebrate the life of your parent or loved one, in a way that it deserves...

Reviews

The most effective ebook i possibly go through. I am quite late in start reading this one, but better then never. Its been designed in an extremely basic way and it is just after i finished reading this ebook by which basically transformed me, modify the way i believe.
