Linda Hall, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. From experienced and award winning author Linda Hall comes *Strange Faces*, a collection of seven stories that will take you to a place where killers can linger in your backyard but where magic can sometimes change everything. The voyage begins with *Pickers and Choosers*, and with a group of young dumpster foragers who witness a murder. Or do they? And why now, after twenty-seven years is the terrible memory resurfacing? In *A Nice Cup of Something Hot* we meet Mrs. Wilkers, a divorced woman obsessed with her ex-husband, his new wife, and ultimately with death and murder. The connection between siblings plays a key role in two of the stories. *We Are Brothers* is about very different twins. *Weather Ladies* attempts to answer the question, what do you do when you find out your sister is a murderer? *Mad Scientist* is all about revenge. How far can someone be provoked? Far enough to murder? On the lighter side, *The Hockey Bag* features a young man, who through no fault of his own, gets caught up in a rather gruesome bag of tricks. You will smile, or tear up, with *A Small Season of Magic*. It s a story of a girl, of bullying, and what happens when a small bit of magic intervenes. Hall s writing has been described as crisp, intense, filled with suspense and intriguing characters and writing which has the ability to keep you on the edge of your seat until the end.
