Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. My First Japanese Notebook (vertical writing) is not just a notebook, it's also a useful instrument to use while learning to write Japanese characters (kanji and kana). It contains: (1) an introduction, which explains the right use of genkouyoushi (also called genkooyoshi), the special sheets Japanese use to write compositions and literary works. (2) 3 sections (around 30 sheets per section) of genkouyoushi; each section has a different squares size and a different columns length. These differences were designed to help students writing Japanese characters with right proportions and to allow them to get acquainted with vertical writing.
