Skyhorse Publishing. Paperback. Book Condition: new. BRAND NEW, Last Word, Mark Lane, Mark Lane tried the only U.S. court case in which the jurors concluded that the CIA plotted the murder of President Kennedy, but there was always a missing piece: How did the CIA control cops and secret service agents on the ground in Dealey Plaza? How did federal authorities prevent the House Select Committee on Assassinations from discovering the truth about the complicity of the CIA? Now, "New York Times" bestselling author Mark Lane tells all in this explosive new book. With exclusive new interviews, sworn testimony, and meticulous new research (including interviews with Oliver Stone, Dallas Police deputy sheriffs, Robert K. Tanenbaum, and Abraham Bolden), Lane finds out firsthand exactly what went on the day JFK was assassinated. Lane includes sworn statements given to the Warren Commission by a police officer who confronted a man who he thought was the assassin. The officer testified that he drew his gun and pointed it at the suspect, who showed Secret Service ID. Yet the Secret Service later reported that there were no Secret Service agents on foot in Dealey Plaza. Last Word proves that the CIA, operating through a secret small group, prepared all credentials for Secret Service agents in Dallas for the two days that Kennedy was going to be there - conclusive evidence of the CIA's involvement in the assassination. Here is the last word on the JFK assassination by a "New York Times" bestselling author and JFK historian!.
